Pupillage 2020/21

Your future in commercial law

‘An unrivalled collection of the best talents currently at the Bar.’

LEGAL 500

Who we are looking for

South Square recruits up to three high calibre pupils a year with a strong academic record and the potential to become an outstanding commercial barrister. The minimum academic qualification is a 2:1 degree.

Pupils are selected from a broad range of backgrounds and experience, whether recent university graduates or those seeking a second career at the Bar. A number of our members have degrees in law, some have taken non-law degrees and then sat the CPE/GDL, and others have started their career in another sector before becoming a barrister.

What we offer

PUPILLAGE

Pupils are welcomed into all areas of Chambers' life and are provided with a structured programme designed to train and equip them for a successful practice in a dynamic and challenging environment. Pupils sit with a number of supervisors for periods of six to eight weeks to experience a range of practices and work.

Pupillage is not run as a competition between pupils, and Chambers' approach is to recruit all pupils as tenants who meet the required standard.

MINI-PUPILLAGES

South Square also offers funded and unfunded mini-pupillages. Please see the timetable included in this brochure for more details, or Chambers' website www.southsquare.com/pupillage.
